## Mission Statement

*The Skagit Women's Alliance and Network (SWAN) is a non-profit organization dedicated to recognizing and supporting women of achievement in our community. SWAN annually celebrates and honors outstanding Skagit County women for their success and contributions as leaders, innovators, mentors, and visionaries. SWAN also provides scholarships each year for women to continue their mentoring legacy in the pursuit of excellence.*

SWAN's support of women includes recognizing emerging leaders who are exploring, beginning or reentering their vocation. SWAN aims to provide connections to mentors for one-to-one relationships. This program encourages cooperation and mentorship to drive the success of women for generations to come. All mentor-mentee relationships are determined directly by the participants. For example, some may consist of occasional emails, calls or coffee meetings and others may be deeper in nature.

Please select one or both of the following options:
